Community Colleges Parent(s) 2022 Income Tax Return Filing Status Verification

Your student's financial aid application was selected by the U.S. Department of Education to undergo a process called verification. Either you, your spouse or partner, or both of you indicated on your student's financial aid application that one or both of you did not and will not file a 2022 Income Tax Return.

The form below must be completed for each of the student's FAFSA contributors that did not and will not file an income tax return in 2022. The form must be submitted to the Financial Aid Office before we can continue the review process and determine your student's eligibility for federal financial aid.
